FRAME DESIGN

Frame Technology

Everything about Suede—from its foot-forward frame design to its plush saddle and easy-riding bars—is designed to help make cycling a part of your healthy lifestyle. And for 2011, with new 'cruiser-style' designs, smooth and pleasurable riding takes on an even more stylish outlook.

- Ultra-comfortable all-rounder, with posture-perfect, foot forward position, for peace of mind and easy 'feet-down' starts and stops
- For the person who wants an easy-to-use bike that's simple and very safe to ride, in and around the city
- Ideal for all sorts of pavement and bike path riding, for all ages

KEY UPGRADES
