FRAME DESIGN

Upright positioning, swept-back handlebars and a distinctive split toptube frame lend Via a balanced, comfortable ride quality and a modern, unique look. The double-butted chromoly frame tubing makes for a lively ride, and a few special touches-including the subtle U-lock holder and bolted wheels (no quick release)-make it the perfect companion for city streets or quiet country roads.

FEATURES:

- SRAM I-Motion 3-speed internal gearing with twist-style shifter
- Custom alloy front rack
- Kenda Kwest flat-resistant tires
- Sizes: S, M, L, XL
- Color: Black/Gold

U.S. Average Retail Price: $600
