RAM DESIGN

FORGET FLAGGING A CAB. SAVE THE FARE AND BREATHE EASIER WITH A FOLDABLE BIKE TO FIT YOUR LIFE.

Un-clutter your life with a smart solution to your daily commute. Featuring seven-speed shifting, an integrated rack, fenders and a lightweight foldable frame design, Halfway morphs from a fully functional city bike to an unimposing, out-of-the-way package in just 12 seconds.

KEY UPGRADES

Key Upgrades (from Halfway 2):

- AluXX Aluminium Fluid Formed frame, with an all new quick and safe hinge system
- Quick hinge foldable aluminium stem and handlebar. Height adjustable.
- Connector on the rearwheel to keep the bike folded
- Seatpost with memorylock to keep the post aligned and always on your personal height
- 8 speed transmission
- All new brakes with extra stopping power
- SIZES: One Size
- COLOUR: Silver
