HUBS	Shimano Nexus 3 rear, Joytech front
SPOKES	Stainless steel
TIRES	Kenda K West 700x35mm
OTHER	
EXTRAS	Chain guard and mudguards

FRAME DESIGN

The distinctive split toptube design gives Via a character all of its own, its not just looks. The tough double butted chromoly frame tubing means you don't have to pamper it and clever features like the subtle U-lock holder and bolted wheels (no quick release) show off Via's street smarts.

KEY UPGRADES
