

CHIXIE

SIMPLE, UNDERSTATED AND EFFORTLESSLY CHIC. LEAVE THE BRAKES ON FOR A BREEZY COMMUTER OR RUN IT AS A TRUE FIXIE. ER, CHIXIE.

With a beautiful, lightweight aluminum frameset, traditional track-bike-inspired geometry, and stylish touches like an upright handlebar and retro-road-inspired saddle, Chixie is cool—but not too cool for school.

FEATURES

- Steel, high-rise cafe bars
- Giant classic road saddle
- Both fixed and freewheel gear option
- High-flange, track-style hubs with alloy rims

CITYSTORM

NAVIGATE THE CITY WITH SPEED AND PANACHE. IT'S A COMMUTER, IT'S A FITNESS BIKE, IT'S A DESIGN-SAVVY VISION OF STYLE, FUNCTION AND FORM.

The charm of CityStorm's award-winning modern design is the first thing that strikes you, but it's the speed, performance and functional form that really wins hearts. A recipient of the coveted reddot design award, CityStorm features an elegant lightweight aluminum frame, upright positioning and modern touches including integrated lights and lock. It's the perfect choice for street-savvy urbanites.

FEATURES

- Top tube mounted integrated lock
- Dual density grips and saddle for extended comfort
- Enclosed drivetrain for smudge-free riding
