

JR ANIMATOR

GET THEM STARTED OFF RIGHT WITH BIKES THAT ARE SAFE, FUN AND STURDY ENOUGH TO PASS DOWN WHEN THEY MOVE ON TO BIGGER THINGS.

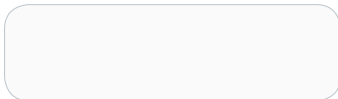

Get him fired up with the speedy look of this little racer. Watch him learn the ropes in no time at all on a steel-framed bike that will stand up to whatever he dishes out. 12-inch tires round-out the fun.

FEATURES

- Stem pad for protection
- Chainguard for grease-free legs
- Training wheels

LIL PUDD'N

It's her first two wheeler, with 12-inch wheels and a sturdy steel frame. Durable enough that you'll want to hand it down when she moves on to bigger wheels.

FEATURES

- Training wheels
- Streamers and bell
- Stem pad for protection

PART NUMBERS

310050 Pink
