

SEEK 0

GET AROUND TOWN ON THE PATH LESS TRAVELED. A MOUNTAIN BIKE'S BRAWN AND A CITY BIKE'S STREET SMARTS—ALL IN ONE STYLISH RIDE.

Featuring an all-new ALUXX alloy frameset, Seek can be summed up as City Bike 2.0. It's practical, but fun. Brainy, but ready for adventure. Powerful disc brakes, fast-rolling tires, durable frame guards and reflective styling for visibility set it apart from the crowd.

KEY UPGRADES (OVER SEEK 1)

- Convertible rear dropout system
- 8-speed Shimano Alfine internal drivetrain keeps you pedaling smoothly
