## FRAME TECHNOLOGY

Where Team Rabobank resides, cyclocross is religion. TCX can trace its roots to the cold, damp fields of northern Europe, where Rabobank riders compete at the highest levels of the sport. Super-light ALUXX SL aluminum frames, stable geometry and plenty of mud clearance give you all you need to win.

## FEATURES

- Shimano Sora shifting
- Giant Connect seatpost, handlebar and stem
- Kenda Small Block Eight, 700x35 Folding tires
